

Turn and Live: God's Justice and Our Responsibility

Ezekiel 18

The only sin God holds against us is our own, but in His graciousness, He calls us to turn from sin and live.

- I. Good News: God will not hold the sins of anyone else against us (vv. 1-20).
- II. Bad News: God will hold us accountable for our sins, and just one of them is worthy of the full measure of His wrath (vv. 21-29).
- III. Greatest News: God has laid all of our sin on Christ that we might turn and live (30-32).
