Weeping for Those Who Lead Us
Ezekiel 19

When our leaders refuse to walk in God's ways, we should weep for their failure and seek deliverance in another King.

I. We should weep for our leaders when they intentionally reject God's ways (vv. 2-4).

II. We should weep for our leaders when they are full of pride (vv. 5-9).

III. We should weep for our leaders when they refuse to listen to God (vv. 10-14).
