Like Fathers, like Sons… but Not Forever
Ezekiel 20:1-44

Despite our lineage of sin and continued propensity toward it, God will set our hearts and hands free from the idols we treasure.

I. God will be sought on His terms, not ours (vv. 20:1-3, 30-31).

II. God's kindness, mercy, and love towards His rebellious people is without equal (vv. 20:4-31).

III. God does not lower His standards but raises His people (vv. 20:32-44).
