From The Heart

We have some great opportunities in 2018! In mid January we will be releasing our Ministry Handbook along with the 2018 Calendar! As you read through the booklet you will find many ways to be involved serving the Lord. I am praying that this is a year of tremendous growth as we implement our vision.

We have the opportunity to reach more people for Christ! We have scheduled two high attendance days for Sunday School and two high attendance days for worship. Start now inviting people to come who do not have a church home and those who have been away from church for a while. The first high attendance day for Sunday School will be on January 28.

We have the opportunity to pay off the land! So many have been faithful in their giving. Just imagine if all of God’s people were faithful in their tithes and offerings. It is true that God blesses a cheerful giver. We give because we love the Lord and desire to follow Him.

We have the opportunity to bless our community through the use of our new West Campus! We have received some tremendous ideas concerning the use of our property. We already serve our community through the Fall Festival and Community Celebration events. This year we will be adding our Easter Sunrise Service. We will be working through other ideas such as a children’s playground, walking trails, etc., that will provide some much needed recreational space for the community.

We have the opportunity to be involved in the Gospel message going around the world. Our mission work starts in our own backyard and spreads to un-reached people groups globally. We can partner with churches and ministries of great need by giving, going, and praying. Each week as we join together in worship, the Gospel will be proclaimed.

These opportunities will only come alive as God’s people get involved in serving, giving, and praying. I am praying with all my heart that we will be faithful to the Lord and see the greatest year of ministry through the Family of Families at Santuck. God has truly blessed us with so much. Join hearts and hands with others for the sake of the Kingdom!

From the Heart,  
Pastor BR

CONNECTING AND RECONNECTING PEOPLE TO SUNDAY SCHOOL

**CONNECTION**

January 28

**Why is Sunday School so important?**

Sunday School enables you to connect with other people who share a similar path in life, as well as a place to live life together. Being connected in a small group allows you to get to know people and make friends, but more importantly, Sunday School helps you *access the application of God’s Word in your daily life*. The challenge for you is to get connected to a Sunday School class for the first time, or get re-connected to a Sunday School class. Our teachers and staff have a sincere desire for you to Connect/Re-Connect to Sunday School on Sunday, January 28.
