Look for opportunities to encourage others as you interact with Santuck family.

Write prayer cards and notes of encouragement to staff, college students, mission teams, VBS workers, bereaved, first responders, nurses, etc.

Quite often kingdom work simply begins with a willing heart to join the work God is performing and begin to help meet some of the needs around you. If you need help learning how to utilize your spiritual gifts, Bros. Ben, Randy, and Luke will be happy to prepare and equip you for service so you can employ your spiritual gifts. We want you to find fulfillment as you seek to be obedient to the Lord by using the gifts with which He has entrusted you. He did not give you those gifts by accident!
