

"Crazy Grace for Crazy Times" by Derwin Gray *Men

When faced with current challenges, believers often long for the good old days of the New Testament church. In reality, the culture and the church were just as crazy then as they are today—rampant sexual immorality, racial prejudice, social and economic segregations, and divisions over favorite spiritual leaders. The heartbeat and lifeblood of the Christian life is grace. Grace isn't just an idea. Grace is a person named Jesus.

"Supernatural" by Dr. Michael Heiser *Women

This book helps to open up our understanding of how the Bible communicates to us— particularly its truth about the supernatural world, the world of the Trinity, of angels and demons, of gods of the Old Testament and the Nephilim and Eden's serpent. It shines a light on the supernatural world, not a new light, but rather the same light the original, ancient readers and writers of Scripture would have seen it in. You will never view Scripture the same again.

Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely.
